Credits

Students may earn ½ L-level (on-level) credit each session. **To get credit for the course, students may not be absent more than 2 days during each session. Reminder: One day in summer school equals seven days in the regular school term.**

Course Offerings

Students must be eligible to take a course during the 2019-2020 school year in order to enroll in an original-credit course in the summer. Only the courses listed on this page will be offered for original credit. If fewer than 20 students enroll in a course, students will be notified and can change their course selection, receive a full refund, or attend another campus.

Considerations

- ◆ Summer school course curriculum is fast-paced, compacted, and accelerated. Students who typically need extra time to read, research, or complete a project or an assignment may encounter challenges. The compacted nature of summer school provides no opportunity for tutorials.

GENERAL INFORMATION

Attendance and Absences

- Prompt arrival and daily attendance are mandatory for academic success in summer school. The following provision is made, however, in case of student illness or emergencies: *A student absent from class because of illness or family emergency should bring an explanatory note signed by the parent and check in through the principal's office upon his/her return to school.*
- **Students who are absent from class for more than two days for any reason during either session will be withdrawn and no credit granted.** This applies to both original-credit courses and make-up credit courses. Being absent for two days of summer school is comparable to being absent 14 days during the regular term.
- No refund of tuition will be made if a student exceeds the number of allowable absences.
- Three tardies in any class will count as one day of absence. A tardy will be assessed for late arrival in the morning and for late arrival following the lunch period and breaks; however, students arriving 15 or more minutes late in the morning will be marked absent ½ day.

Final Exam Exemption

Middle school students who are taking high school courses for **original credit** may be granted exemptions for final exams if they have no absences and/or tardies.

Food Service

Breakfast will be served at 7:15 a.m. each day. Students will have lunch between 11:30 a.m. and 12:45 where they will be able to purchase a lunch in the cafeteria.

Refunds

- Prior to the first day of class, a \$25.00 processing fee will be charged for any refund.
- Students withdrawing during the first 3 days of any session will be refunded 75% of their tuition.
- Refunds will **not** be granted
 - ♦ after June 12 for Session I original and acceleration credit;
 - ♦ after June 17 for Session I make-up
 - ♦ after July 3 for Session II original and acceleration credit;
 - ♦ after July 3 for Session II make-up credit;
 - ♦ if a student exceeds the number of allowable absences; or
